**WEEK 9: August 8-12*****Family Involvement Week***

This week we will celebrate our families. We are going to have parent visitors, lunch with a guest and a center wide family baseball outing to a Saints game!

**WEEK 10: August 15-19*****Space Frontiers***

Ever wonder what is beyond our skies? This week we'll travel deep into space and find out. Our special visitor from Mad Science will take us on a journey out of this world and we'll even get to bring home a squeeze rocket!

**WEEK 11: August 22-26*****Beach Week***

This week we are going to take a field trip to Battle Creek Waterpark. Back at school we will spend time creating our own beach and throwing a beach party.

**WEEK 12: August 29-September 2*****Everything On A Stick***

The end of summer is near, but we still have time to take part in Minnesota's great tradition. We'll learn all about the fair as we enjoy everything on a stick this week!

Your child's typical week will include:

- \*Movement Mondays where we get our bodies moving through outdoor and indoor play, games, yoga, and more.
- \*A day dedicated to water play!
- \*Picnics once a week either at a park or on a field trip.
- \*Weekly in house and off campus field trips.
- \*Friendships and experiences that will make their summer one to remember.

**WEEK 5: July 11-15*****Sports Week***

Let's get our bodies moving through fun competitions such as water relays, jump rope contests, races and more! We'll be taking a walk to our neighboring business, Pump It Up on July 12th to play on giant inflatable slides and engage in awesome obstacle courses.

**WEEK 6: July 18-22*****Food Around the World***

We love food! We'll take a look at cuisine around the world and talk about nutrition. We'll be cooking up great ideas for snacks and take a walk to one of our neighboring restaurants and Rainbow Foods for an inside look.

**WEEK 7: July 25-29*****A Bug's Life***

We'll be taking a closer look at bugs and insects this week. Join us on nature walks, bug hunting and more! We'll even take a field trip to the Maplewood Nature Center on July 27th where we'll get educated about butterflies, make a flutterfly kite, watch a puppet show, and take a hike.

**WEEK 8: August 1-5*****The Earth Around Us***

We're heading into the big city this week to check out the Minnesota Science Museum. We'll get to check out some exhibits and spend some time in the Big Backyard! We'll engage in mini golf and learning about our very own planet Earth.

**WEEK 1: June 13-17*****Dinosaurs***

This week we will be going back to prehistoric times as we dig up some knowledge about Dinosaurs. The children will get a hands on experience with a Discovery Trunk borrowed from The Children's Museum.

**WEEK 2: June 20-24*****Under the Sea***

We'll be heading down under as we explore different underwater creatures and their habitats. The children will enjoy a visit from a Minnesota Sea Life educator on June 23rd. They'll even bring along a touch pool for the kids to experience!

**WEEK 3: June 27-July 1*****Zoo Week***

The children will learn about different animals around the world this week. We will practice our bus safety as we take our first field trip of the summer to Como Zoo on June 30th. We will enjoy meeting the animals and having a picnic lunch.

**WEEK 4: July 5-8*****Campin' Out***

This week we will take an imaginary journey into the wilderness. The children will enjoy pitching a tent in the yard, having s'mores and telling campfire stories. We'll even have an all school BBQ on Friday with burgers and hot dogs. Yummy!
